

SWAP & SPREP Marine Litter Workshop

On April 7, 2022, the AFD-funded *Committing to Sustainable Waste Actions in the Pacific* (SWAP) Project implemented by the Secretariat of the Pacific Regional Environment Programme (SPREP) hosted a Marine Litter Workshop with participation from Sustainable Coastlines, Ocean Conservancy and the Vanuatu Environmental Science Society.

For people who were unable to attend the workshop or those who wish to review it, please find the link to the recording: <https://youtu.be/JZ9QoZtJmw4>.
