

Green Recovery Intermediary Lab

Invitation & Call for Applications

Event: February 23rd, 2022 | 2:00-5:30pm (GMT+7) | Digital

Deadline for Applications: February 20th, 2022

Join us for the Green Recovery Intermediary Lab!

The Green Recovery Enterprise Clinic is part of the **Green Recovery Forum: Leveraging the contributions of MSMEs to achieve the Sustainable Development Goals**, an effort to bring MSMEs potential and contribution to Green Recovery to light by connecting a growing regional network of MSMEs, and intermediaries with policy makers and other key stakeholders. Utilising a co-creation approach with different ecosystem players, the Green Recover Forum consists of 2 lead-up events (Green Recovery Clinic and Green Recovery Intermediary Lab) and 1 public event, Green Recovery Multi-Stakeholder Forum.

In the Green Recovery Intermediary Lab, MSMEs intermediary actors will come together to review existing national level support options and co-create practical policy recommendations built on the findings from the Green Recovery Enterprise Clinic. Through a virtual prototyping and co-creation workshop, the Lab process will facilitate interactions among participants to prototype Green Recovery enterprise support recommendations that emphasize human rights-based approach, gender equality, and promote inclusive business practices under the guidance of SEED team and partner organisation.

Intermediary Actors Target Group

1. Incubators, academia, research and development institute and business support organisations

Key Benefits for Participants

- Peer-to-peer exchange on evidence-based enterprise support policy recommendations with other MSMEs intermediary actors in South and South East Asia (Indonesia, Malaysia, Burma, Philippines, Thailand, Vietnam, and India)
- Network with MSMEs, other intermediaries, and policy makers in upscaling the green recovery ecosystem

How can you join the programme?

To apply, please submit a maximum one-page summary of your organisation to Ms. Pornlumon Nirachatsuwan at pornlumon.nirachatsuwan@seed.uno. Submissions will be accepted until **20 February 2022**.
